

YOUR PATH TO THE SKIES

Online theoretical knowledge course for the private pilot licence

COURSE INCLUSIONS:

- 3-Year e-Book Access: Get three years of unlimited access to essential PPL theory e-books via the Padpilot e-Reader. Available on up to three devices for flexible learning. Our materials, designed in simple English and enhanced with illustrations, simplify complex concepts.

- 1-Year Learning Management Access: Benefit from one year of access to the Padpilot Learning Management System, featuring progress tests and direct communication with instructors.

- 1-Year Exam Database Access: Prepare thoroughly with a year's access to Aircademy's extensive exam question database, recognized by key aviation authorities.

- Instructor Support: Throughout your journey, our instructors are here to provide guidance, available through messaging and video calls.

- Certification: Upon completion, receive a recognized course completion certificate, enabling you to apply for your written examination with aviation authorities.

Enrol Now and start your journey to becoming a pilot today. Visit www.skypilot.academy for more information and to purchase the course.

ENROLMENT IS EASY:

1. Complete your payment securely via PayPal.
2. Receive an email with a link to submit your details.
3. Start your training and join our community of aspiring pilots.

CHRISTOPHER WIK

Head of Training

"At Skypilot Academy, we are committed to training our students to become confident, safe, and efficient pilots by providing in-depth theoretical knowledge of the highest standard."
